“ Dana & Family, I am so sorry for your loss. I want you to know what a Beautiful person your mom was and so glad I got to know her and your sweet daddy. You were the sparkle in both their eyes and you could see it every time they talked about you. Be Sure to tell your baby all the great stories about them both. Prayers for you and your family.

“ Dana, of course you know I always loved your parents. You daddy was one of the smartest men I've ever met. I loved his humor and sharp mind. Your mama, oh my word she was a jewel. I hope you have every one of those Christmas tree skirts and stockings she made, nothing is more beautiful. Your mother would give me some of the most sound advice, one day I was just so upset about one of the boys, Joyce hugged me and said just love em; all you got to do is love em . She was correct, it all worked out. and you, I loved to hear both of them fuss about stuff you did, they would have jumped over the moon for you but they have complained about it the whole way. Oh my gosh, Bentley needs to know everything about them. Share their life. Don Craig loved Joyce and Joyce Craig loved Don.
