“ We do have so many memories of Sue. She will always be my sister. I will miss her beautiful smile and the fellowship we would have when we would visit "Joe and Sue" through out the years. Sue's wonderful Potato Salad and Joe's delicious Bar-b-q Ribs. What a treat!!

We take comfort in knowing that she is in the presence of Our Lord and is home with Joe and all her family that were waiting for her. Our prayers go out to Renee and Bruce and  
and the entire family.

Love to each one of you,  
Bettie

“ We will always have our precious memories. We were sister-in-laws but truly sisters in heart and best of all sisters in Christ. I will always cherish the times we had together. I wish she had been able to teach me how to made "Susie Cornbread" - though she tried, I just never could do it like she could. Her's was the best. I will keep trying though. I was so happy that we got to see and talk to her on zoom last week  
No good byes - Just see you later.  
Love you all. Hugs and prayers.
