“ Annie, sweet Annie. She was a fun loving girl with lots of laughter. My husband Virgil got to know her several years ago at one of our England Family Reunions. She tried to dump a 5 gallon bucket of ice on him! They were always trying to get something over on each other after that. One of Annie's favorite people in the whole world was her twin brother Danny. Actually he was her whole world prior to his death. She is in heaven with him now and I can only imagine the reunion they are having! Hugs and prayers for all of her families! We love you all.
