“ I remember when i would always get off the bus with my mom when he was a bus driver in Foreman Arkansas he would always talk to me and her, my family was really good friends with him. He was a really nice guy, he will surely be missed. I am so sorry for yalls lost. He would always say anything to me and my mom that would make us laugh. He was the best guy to have for a bus driver. Yall will be in my thoughts and prayers.
