“ *Ann and Elmer were very dear friends of my Mom and Dad. (Blanche and Wayland Stone of Mineral Springs). I will always remember them telling me of the great times they had together. My Mom and Dad renewed their wedding vows for their 50 Anniversary and Ann and Elmer were their witnesses for the event. I pray God will give you peace and comfort during this time of losing your loved one. I hope you are blessed with many wonderful memories as I am very happy to share the memory I have of the joy they brought to my parents.*
