“ Dear friends and family ,
How are you doing? I am doing fine. I was given the opportunity to sit and write a line. I want to thank you for the service. It was quite a site to see. All my friends and family. Paying their respect to me. I have a friend here in heaven Jesus is his name. He told me I was welcome here and delighted that I I came. There is so much beauty in heaven There are streets of gold. Everyone has a mansion . At least that's what I am told. Jesus told me I could go back home , but it would happen just today. After seeing family and the beauty of heaven. I knew what I had to say. So when you think about me, please don't be sad and blue. For I am now your guardian angel . Looking over all of you.

Love your special angel
