“ *My favorite memory with Betty is setting the Christmas tree up and lights on the house every year. And Thanksgiving diner. She was the best cook ever she was my mother she taught me how to ring a chickens neck, skin a rabbit a squirrel, but I surely will miss us buying flowers and planting them every year. My fondest memory is that look she had on her face when she talked to her kids and grandchildren. She truly was what a mother should be. I will forever miss her so much. Having are talks and coffee. I love you Mom.*
