“ *I want to express my deepest and most sincere sympathy for your loss! I know that the pain of losing a loved one in death is unlike any other pain we face. That is why the Bible calls death an enemy and says it will be brought to nothing! Jesus' words at John 5:28,29 have always provided me with so much comfort! He says here, "Do not be amazed at this for the hour is coming when all those in the memorial tombs will hear his voice and come out!" Yes, we can embrace our loved ones again! I truly hope you can gain some comfort from Jesus' promise! I am so very sorry for the loss you have suffered!*

“ *Daddy I will miss you but I know that you are in Heaven reuniting with all of your loved ones that went on ahead of you. We will do our best to take care of Mother for you but as you know no one will ever be able to do all that you have done for all of us in our lives. You were and always will be my hero and I want you to know that you were the best daddy in the world. I love you to the moon and back and look forward to seeing you again in the next life.*
