“ *Billy was my only brother and the best brother in the world. He had the kindest heart he loved all people and didn't like for people to speak badly of others. Billy always kept the family entertained it was never a dull moment. From the time we were little kids he was always creating an act for the three of us to perform for mother and daddy when they would get home from work. What great memories I have of growing up with him. He will be so greatly missed by those he has left behind. Rest in peace my brother I love you and look forward to the day we will be reunited in heaven.*
