“ *Although we didn't get to visit often we always thought a lot of Bonnie. She was always so thoughtful as well as Weldon. She was always supportive of Weldon's side of the family. I remember when Weldon came to Wichita to do some carpenter work for us and Bonnie sent me a crocheted throw for my sofa. I thought this was so special in her to do this. I know her family as well as others will miss her greatly. They know she is in a better place so they can remember all the good times they shared.*

With love,
