“ *My Uncle Bruce was honest to the core and would always drop anything to help me anytime I needed him. A true family man that loved hard in his own special way. His grandkids were obviously the light of his later years and his pride and joy. You don't always realize the amount of love and respect that you have for someone until they are gone and Bruce Ritter has made an impact on my life and I am a better person today for the time I had with him on this earth. Rest easy 9-toes! I love you*

“ Cindy, I am so very sorry to hear of Bruce’s death. I have known you both all of my life and you had such a wonderful storybook life together. I have wonderful memories of growing up with Cindy in Central Baptist Church, and driving Mr Hooker crazy in class with Terry and Pam and Bruce. You are so fortunate to have had one true love in your life I wish I could have spent more time with you the last 50 years but I kept up with you.

I pray for our loving God to carry you through this time and wish I could be there to comfort you. Love you sweet friend.

“ *As we sit here and reminisce of the memories of Bruce there are many. His childhood home was very close to where I was raised in Ashdown, however by the time he grew up and married my cousin, Cindy, I had moved away. It is most fortunate that we were able to see their love and marriage strengthen and their children grow and prosper. Bruce carved a good career at Domtar and provided for his family. It is always a sad day when we lose a loved one. Yet, we know the sadness is for our loss and he is in a better place dealing with no sickness or pain. We will both miss Bruce and pray for his beloved family.*
