“ We are so sorry to hear of Buddy's passing. Sorry for the family who will miss him, but happy that we know where he is, and we will all be reunited some glad day. We attended the Nazarene Church with Buddy and Ruby for a number of years. They were always involved in the church. We served on the church board with Buddy. He was a true Christian gentleman who loved God, his family, his friends, and his community. He gladly served where ever he was needed.

We remember Buddy and Ruby remodeling many houses in Ashdown. He worked hard and did not settle for substandard materials or work. Each house was a show piece when finished. He worked on the museum with the same work ethic. We remember the good Sunday school parties we had in the Hinton's' homes. Ruby was a great cook and hostess . They were fun to be around. We moved away about 7 years ago. We have fond memories of our times together.

May God bless Buddy's memory and continued influence.

“Buddy Hinton was a friend and co-worker in the Engineering Department at Lone Star Army Ammunition Plant. He was an inspiration to all of us and always had a cheerful attitude that made our hectic work environment so much better. His faith and love for family were obvious and his passing will be felt by many. My deepest sympathy to his many friends and especially his family. May God provide you with the comfort and strength to carry on... and keep his memory in your hearts. Lynn Rice

“It has been a great joy to be Buddy's pastor. He always smiled & laughed & was a joy to be around. He loved the Lord with all his heart, and is now with his Savior! I will miss Buddy, and I take comfort that I will see him again when my glad morning comes and I fly away.
