“ *Extremely disappointed to learn of Pat’s passing. Had sent an unanswered email several months back but then when the pictures at Razorback Stadium did not generate a response I got to wondering. One phone no was not in service and a stranger answered the other.*

Enjoyed knowing Pat at RRAD in 1967 & 1968. He took Me hunting and was always upbeat and friendly ! He would talk about someday owning His own consulting company and the thing I admired most about Pat; was by golly He DID IT !

Knowing He is gone just hurts.
