“ *Ms. Tilley was one of a kind. I first encountered her at my job while she was getting physical therapy. She could talk for hours but she always had the best stories to tell and was always smiling. She will be missed dearly.* ”

“ I have a gazillion memories of Carol! I met her and the kids when I was only a wee Bonnie lass!!! I thought of her as another mother in my life! We shared so many things and I was so blessed to have visited her only a few days below she passed way in her home. She did it her way and that was always her motto! Her love for her kids/grandkids was unwavering and her passion for her heritage was unending as well! She will be sorely missed but I know she's so happy with her son family and friends who have gone before her! We love you Carol now you rest in peace❤️❤️❤️
