“ *Michael and Sherri; we are so very sorry for your loss. Your mom was a very good friend to us, especially Mother. Even after Mother's dementia took hold, Carolyn would call regularly to talk to her. It made Mother's day. We wish we could be there tomorrow, but we have obligations making it impossible to be there. Just know you are in our prayers and we know one day we will all meet again. Much love to you both.*
