“ *So sorry for your loss. I can still remember being out side playing as a teenager in the early evening and we could hear David practicing playing on his band instruments. We lived at the fire tower 1 & 1/4 mile up the road from him. Louis Patterson*

“ *David was married to my sister many years ago. I was 11 at the time. I would spend every weekend with them and they took me on several trips as well. He always treated me so well, and I absolutely loved to hear him play Piano and sing! He shared his music collection with me, and I spent many hours with his records and headphones! One of my favorite memories was that each Friday he would stop by fish bowl and buy me a large cup of green tomato relish to enjoy all weekend! Even though they divorced 7 years later, I have always had good memories of the times I shared with him! My sympathies to the family.*

My best memories were at Spotlight with him. We had so much fun working together. I really loved David and hate that I haven't seen him in a while. He was always so good to me. Praying for you Randy and Marty. Love y'all ❤️❤️❤️
