“ So incredibly sad for this family's losses. Material items can be replaced, but nothing can replace a husband, father, son & United States Marine. God bless you Mr. Withem for your service to our great country. I pray that your family heals & receives all of God's blessings.

“ *The family's cuts, bruises and incisions will fade in time, but our memory of Eddy will never go away! We are so glad we were able to get to know and thank the man who showed Roxanne a different life outside of New York. We say Eddy changed her world and for that we instantly loved him. This brave gentleman was taken from your family and ours way too soon, but we all know he has earned his place in heaven and is looking out for everyone he knew and loved now. It appears Eddy was born to serve and protect and we salute him for his courage in becoming a Sargent in the U.S. Marines. We are Proud to be an American and we are Proud to have know Charles Edward Withem!!!*
