“ *Lona Mae and Family - I was so sad to hear about Clinton. He was a sweetheart and I know you guys will miss him so much. He is certainly not hurting anymore and I'm sure he's smiling all the time up there with Jesus and friends!. Your broken heart will take comfort knowing this, but it doesn't mean he won't be terribly missed. But this is why God gives us peace in our hearts. We know we'll all be gathered together one day, without tears or pain, and that's a hope we live for here on earth. Love you guys, Kathy*

“ Lona, Steven, Rodney and Michael am so sorry to hear of Clinton's passing. He will always hold a special place in my heart for helping me with Mama all those years. I know that it is always good to know that he is in a better place and he is no longer in pain or struggling to just enjoy himself. But I also know how much you will miss him. The only words I have are only reach back for all the happy memories, they are truly the only ones worth remembering. I love you all, Sandy
