“ *She was an extrodinaty lady. She had the memory of an elepant. Her smile would brighten up a room. She could be a little bossy and always straight to the point. When her mind was set on something she got it done. She was a great mother and friend. She and i made alot of great memories that will last a life time. I loved you lady. Fly high you earned your wings. I will always love you and i will defiently miss you. ❤️*
