Fare-thee-well, Danny, our Sonic brother & friend. I've just learned that you are now a happy man, in your Heavenly home in the arms of family, at last. I know that Buddy, Darlene & Donny are rejoicing as well.

Although we grew up in the same home, everyone went their own ways as we graduated & set out to make our marks on this earth, but we never lost touch even if 10 or more years passed without contact, our bond was still strong when next we met. I kept up with you Russell's from afar & saw that you were all doing good, and making an impression on all around you, y'all did Sugar Pops Pete & Clarice, along with our Jones clan so proud.

I think your family & friends know what a treasure you are & I, on behalf of the remaining Jones siblings want everyone to know how proud we are for the man you became. God Bless your family & friends.

We love you, David, Dana, Pam & me, JudyJones-Allen

“ I met Sheriff Russell back in 1992 or 1993. we were attending a juvenile justice conference in El Dorado. He had a great sense of humor but was always serious about the work he did. He was later elected Little River County Sheriff and we had many opportunities to communicate about the work we did and how to best serve the public. As i look at some of the last messages between he and I, his sense of humor and dedication to the community are evident. One of the last texts reads "That's why I love you, my friend." And, that he was. Rest in peace, my friend.

“ Danny made a profound impact on my life while he was a detective at TAPD. He was always the person I'd call when I found myself needing help; always remembered me, and he was always a supportive person for me. I am so grateful I had the privilege of knowing him and am deeply saddened a bright light in our world has gone. Rest in Paradise my friend. Thank you for all you have done to make this world brighter.
