“ I remember the time, we went to the river and was hunting for an arrowhead. You said it was the best spot out there. I really did find one to after searching for hours!! Man I was so stoked, I wish I didn't loose it when I had to leave for a little while. I am so glad to have known you and have you in my life for these years I have got to know you. I am so glad I was able to see you after prison.. I will always love you Dewey, you were a great friend to me any time I needed one. I wish I could have been there to put you to rest, however I did a little thing for you. I set some balloons go here in Oklahoma when you were be putting to rest. I went to a bonfire that Saturday night to. I know you would have loved that, a bunch of ppl lighting fires for you.. Rest in Peace my friend until we cross paths again you have a place in my heart always.
