“ *Crazy Dave, you were my local hero as a kid. I went to see you every chance I got. You were the John Bonham of Amador County. I always wanted to play like you....and be like you. As we reconnected, you encouraged me with letters like this one:
"Hey man. I'm so excited to hear about your drum studio and everything. That's far out. Here's my number 870-XXX-XXXX. I'm 2hrs ahead in time. Maybe we can talk some evening. 'Im really proud for you and all you've done with your drum skills. Awesome. So proud of and for you.Yeah we definitely stay in touch for sure.Peace to you too brother.Crazy Dave"
When you called me a couple months ago, that made my year. Your words of encouragement made such a lasting impression on me for life. You ARE a good man and I'm so glad to have known you. I am heart broken, but glad that the Lord set you free. Fly away sweet man....soar on wings like eagles, and tell the Lord I said, "Hey!"*

“ *I still picture Dave and Don playing music together, they were such good friends. I hope Dave straightens Don out up in Heaven, and play lots of music together...*

So glad that I finally got to play on the same stage as Dave last August and finally meet Mattie... Much Love!

“ *Mattie and Caitlin, I love you girls and am praying for you! It wasn't long ago I sat at the kitchen table with you two and Dave, while Caitlin and I remembered stories from our younger days. We all had so much fun; but I mostly remember Dave laughing and urging us "keep tellin em, I wanna hear more" as he laughed and ate Pizza. What an awesome guy he is! I have been blessed to know and love him! Until we meet again, keep Rockin' Disco! (LOL) Love, Amber Beasley, friend*

“ David "Stix" Gannon was an inspiration to so many. He was an incredibly talented man that loved music almost as much as he loved his wife Mattie and his son and daughter. Back in the early 70's we would all come home from work on Fridays and gather at David's house, sit around playing guitars and any other instruments available. He was a fine drummer and at times was a one man band playing a drum and hi-hat, harmonica and guitar. Mattie was the love-of-his-life and they truly cared for each other and all good people around them. David and Mattie's trip to California a few years ago was a treat for all of us old friends. The world already feels a little empty without his positive energy, honesty, kindness and of course - his music. I will forever hold you dear to my heart and will forever miss you. I ask the heavens above to bless and watch over Mattie, Evan and Caitlin and to welcome David to the Gate where he is at peace and without pain now.
Peace and Love to you all,
Patty and Scott

“ We couldn't have asked for a better neighbor and friend. He was one of the truly Good Guys. We will miss your music, drumming, stories, ready grin, and seeing you buzz around on that red 4-wheeler.
We know you are Rocking the folks upstairs with those drums.
Rock on Dave ...
