“ Hank, you are missed by many. When I needed help, you were there in spirit. Your soul was strong. If ever someone was assured a place in heaven, it is you. Some people take a lifetime to know. I only knew you a few short months, for what feels a lifetime. You gave me support when my husband went missing. You helped give me faith. You believed. You are a hero if ever there was one! Hope to meet you when my time comes.
