“ *Thank you for sharing David with us. I remember one year David was trying to help me kill a deer at their Washington lease. He tried his best to "push" one my way. The weather was terrible and the deer were spooked. I never got a shot at one, but it wasn't from lack of trying.*

We went back to camp later that day and had a wonderful lunch fixed by his mother... I still remember that hot water cornbread and onions. MMM MMM
