“ Hi, my name is Mary Kashkin. My husband Dave passed away unexpectedly. He left behind 2 beautiful twin daughters Courtney and Brittney Kashkin and his son, Eric Gilligan as well as a step son, Gabriel Flowers. Courtney, Brittney and Eric all live in New Jersey and Gabriel and I live in Texas so we are all trying to arrange for the funeral. As this happen so unexpectedly we were not prepared for the cost so we are all asking for a little help. Anything that you could do to help would be much appreciated.

Dave was a metal head, Slipknot being his favorite band. He always had a smile on his face and his daughters were his pride and joy. Whenever he spoke about them he had this blinding happiness that flowed through him. He loved the ocean and soaking in the sun. His dog Duke was his best friend.

And constant companion. Coffee was his second love to his daughters. Halloween, Thanksgiving and Christmas were his most favorite holidays. Where his family's favorite, was Dave's homemade Mac and cheese with 18 different cheeses, which was enjoyed every year. For Christmas he was definitely a Griswold. He decked the halls to the fullest inside and out. There was not a spot left undone. He was obsessed with clowns and Killer Clowns from Outer Space was his all time favorite movie, so much so that he had the clown tattooed on his arm. Also Fight Club but we never talked about Fight Club! Dave was just always a joy to be around with a joke and a smile to share. The world has lost a good one but heaven definitely gains an angel.
