“ *Tressie,  
I am so sorry to hear that David passed away. He was always so friendly and it was always a pleasure dealing with the two of you in business. I thought of y'all as friends, not just customers. Even though it has been several years since I have seen you this came as a shock to me and I am truly sad at the news.

*Hi Donny. I'm Nancy, David's little sister and baby of the family. Thank you so much for your kind words. He was the highlight of our family. Always able to provide an answer. Quick. I was born on his third birthday. It always was a special time to share that day with him.*

*Sincerely, Nancy Mitchell*
