“ To my sweet cousin Deborah: The fond memories of us growing up together-you, Bill, Barbara and Hugh. When I would come over from Gary, Indiana and spend time with my cousins in Chicago, Illinois. So many fond times our families had together. Remembering the times when Uncle Will would come in from work and Aunt Elease cooking dinner for all of us. Even to the times we had together in Arkansas. When Donna and I would come to Horatio to visit my mother and you and Hugh would come over for a family get together. These memories I and Donna will have forever. I cherish them and you so much. Stay strong Hugh. Your sister was a treasure in both of our lives. God Speed to you, my sweet cousin and the entire Moreland family. Clifton & Donna Burris Gary, Indiana

“ I became friend with Deborah Moreland, years ago we shared many laughs and wonderful memories , her love and inspirational and contagious love for Christ was overwhelming ..she will be missed dearly but as Paul says To be absent from the body is to be present with the lord... Deborah is now home with our heavenly father safe in his arms..... To the family just know that in time it will get a little easier never forgotten but you will be able to smile thinking about the memories of you dear Mother Sister Aunt Grandmother ..love and prayers to all May god continue to hold you all close to his heart. Rita..
