“ Dearest Debbie, I am so sorry to hear of your passing. Being young ones together and teenagers was a blessing to me. You always had a smile on your face and was willing to listen when a friend needed an ear. Thank you for being in my life even if there have been years between. Rest easy my friend, God gained an angel for sure. Fly high Debbie. With loving memories of a dear friend, Betty Youngblood Liedtke

“ *Debbie and I made a lot of memories as cousins often do. When we were about 11 years old we spent a lot of the summer together and created so many fun memories. I missed getting to visit during our adult years as distance and family responsibilities kept us apart but she always held a special place in my heart. Gone too soon. Prayers for the family.*
