“Ronnie and I have been next door neighbors with Debbie since 1994. She was the sweetest person, even when going through adversity, and always had such a positive attitude. We visited, enjoyed porch sitting with a tasty beverage and shared life stories. She will be missed. Our thoughts are with her kids as they navigate through this difficult time.

“Debbie and I worked together at the Hwy.Dept. we were always together in that chemical dump truck with No air conditioning speed 10 miles an hour where spraying the chemical it was miserable there was no radio so Debbie always brought her battery radio and we were singing to country music,if we weren't in the chemical truck we were in another dump truck driving roads picking up rubber from tires and trash we were climbing in and out of those trucks I said Debbie are we going to be doing this when we're 50 she laughed and I said lord I hope not what ever we had to do at least we knew we would be doing it together,Debbie was a good friend she loved her family very much and she will be missed by many .Praying for the Lord to give her kids comfort. 🙏🙏
