“ We were always excited to get to go to Grandma's house, we knew we were safe from getting in trouble as long as Grandma was around. She made the best strawberry cake and buttermilk pies. I'm so glad you were my Grandma. Love you always.Lana

“ I am happy that I had the opportunity to get to know grandma. She was a lively and curious lady. We would sit in the kitchen, and her bright blue eyes didn't miss a thing. She would comment on a flower outside the window, and it would take me a minute to find it. She will be missed and remembered.
