Edie Tackett

Take all your worries and concerns and convert them into prayer to our Heavenly Father. He will give you unexplainable peace when you pour out your heart to him.....Don't worry about everything, instead pray about everything. Tell God what you need, and thank him for all he has done. If you do this, you will experience God's peace....Phillippians 4:6-7

“ *I am so thankful that our paths crossed and we became friends. So many memories.....fishing, cemetary hunting Lol, antique shopping, digging up plants everywhere we went and just sitting on the porch shootin' the bull! Our road trips were so much girl fun! I miss you everyday. You were an angel on earth and now in heaven. I love you and I'll be seeing you again.*

“ *God takes who He needs when He needs them. We don't always understand His deposits and withdrawals from this earth, but they are necessary. Blessings are to come in a form that you least expect it. Showers of blessings will rain down as it did today. It's refreshing to feel her presence as it falls on your head, your face, and your surroundings. Watch things bloom and Smile for she's nourishing everything around you and yours. Toni I love you. All is well.*

“ It seems that I have known you since I was a kid, back when us punk kids were running around town. Then as life would have it we became one big happy family. I have to say that the holidays will be missing one wonderful part of our family and one beautiful smiling face. You will be missed greatly. Love and miss you already.
