“ *Words cannot express my sadness. May the comfort of God help you through this difficult time. Hold tight to memories for comfort, lean on your friends and family for strength, and always remember how much you are loved.*

"May tender memories soften your grief, may fond recollection bring you relief,

And may you find comfort and peace in the thought of the joy that knowing your loved one brought...

For time and space can never divide or keep your loved one from your side.

When memory paints in colors true, the happy hours that belonged to you."
