Our prayers continue to be with family and friends. The Celebration of Life Service this morning was so appropriate. Thanks for sharing her love with all of us-- all these years.*

“ I was so fortunate to have known and worked with Elba. I came to work for the ASCS (now FSA) in 1990 alongside Elba and that is where we first met. I was young and new to Ashdown Arkansas. She was so welcoming and such a joy to be around! Not to mention she taught me so much inside and outside of work. I have many fond memories from years past. I kept in touch after she retired. The office always made that yearly call on March 31st to wish her Happy Birthday! Years after her retirement, I helped in celebrating her 85th birthday. What a blessing that was. Elba will be greatly missed by the ones she touched the lives of, as she did mine.

“ I had the fun and privilege to meet Elba in 1978 when I took a job with the Little River Conservation District. Elba had previously had this job until she changed to ASCS (now FSA). She taught me so much about the job and of course I also got to know and love "Snooks" and all of her wonderful family.

After 16 years I left but we kept in touch and many years later I got to help celebrate her 85th birthday at the Texarkana Country Club. When they built their new home in Ashdown I got to visit several times - no one could make you feel as welcome as Elba did.
