“ Curtis and I are saddened to hear of the loss of your beloved wife, Bunny. God saw Bunny growing tired and a cure was not to be, so he put his arms around her and whispered "come to me". With tearful eyes, you watched her and saw her pass away, although you loved her dearly, you could not make her stay. A golden heart stopped beating, hard working hands at rest, God broke your hearts to prove to the world---he only takes the best. May her incredible life be a reminder that one person can make a difference...

“ you will be missed greatly from all your friends and family. everyone knew just how strong a woman she was. we are wishing the family lots of good memories of all together in good times. she left alot of her soul throughout her family. she will always be in your hearts. so when you start to cry or get upset.. just think of the smile she had that put that same smile on your face.
