“ *"Who loves ya baby." - Granny*

“ *My prayers go out to all of her children and grandchildren. She was loved by all that knew her. I always knew her as "Aunt Jean". She was also like a second mother to me. Although my heart is breaking that she has left this earth, I know she is rejoicing with loved ones in heaven waiting on her. I spent so much of my life at her home growing up, stories told to me by Melba, Barbara, and herself I don't remember. But it was so wonderful to sit at her table and listen to all these stories and laugh, oh what a heartwarming laugh that I will never forget. Love to you all, Kathy*

“ *I was so sorry to hear of Jean's passing. Or as I know her best Granny. I spent many an hour sitting at her kitchen table with Barb & family members discussing the worlds problems, although we never solved any of them we had a good time discussing. Granny always had such wonderful stories to share. She always made me feel at home & very loved. She will be missed greatly not only by her family but her friends. My prayers go out to Barb & Melba, Michael & Billy Bob along with the rest of her family.*
