“ I remember working for her and her husband. Even after I left I would still check on them periodically. Mrs.Lansdell was the sweetest and one of a kind. I can honestly say she was loved so much and I believe not only by family, but anyone who encounter her sweet soul. She always read her bible :) one thing that sticks with me was my last day of working for her she said "Next time I see you I hope you are farther in life." She was the sweetest and will be missed dearly.

“ *Erma I love you dearly and you always brought happiness to my heart. We had so many years together and no matter the time space we did not see each other it would be like yesterday when we talked again. When we were young before life took us in different directions, the domino games we played were some of my fondest memories.*
