“ Through the years we had many conversations and text messages about the 3 Grandchildren we share a great love for. She always told me how much they love their Nana, and I'd tell her they love her and always have wonderful stories to tell about going to Grandma's house. I will always cherish the times we shared in celebrating our Grandkids milestones and accomplishment. And, oh how she loves Tiffany and my son, Caleb. She will be missed and forever loved.

Rest in Jesus Grandma ❤️🙏🙏
