“ We will miss our long time friend and class mate. She is with our Lord and at peace.

*When we were in the 5th grade we lived next door to each other. I was at her house one day and she decided to make a cake. She did, too, all by herself. She opened a jar of jelly for the frosting, and it was delicious. She amazed me that day. I could not even cook any thing and she made a cake!!!*
