“ *Lacy, I'm so sorry to hear about Frank. As you know, he was one of my best friends going back to Wyoming days with Brown & Root in the early 80's. We shared a lot of good times together including the trip to Europe in '89 which you have included in the photos. I wish I was home in the US so that I could post some good photos of all of us together. I'm so sorry we lost touch several years ago, but I constantly thought about you both and what you were doing. I missed seeing Frank, but I always thought we would get together again.....*
