He was a 14 yr. old girls Hero! I was working at mac's Cafe the original one. First job ever, and grave yard shift. Frank was setting in the Cafe I believe with few other men, when this foul drunk came in and started harrasing and getting fuller just plane ugly and he told him to leave me alone. He told him in a way that he stopped and didn't do another thing and at 14 , we'll it meant the world to me. I only knew of him thru my mom, Naomi Callaway, she thought a lot if him, I have yet to go around that curve on 32 that I think of what he done , as simple it sounds but how an impression it was for me, he was my Hero!
