“ Me and Fred worked together years ago at the Chevrolet place in hope. He was always a great guy. He also lived down the road from me for a long time. Then we lost touch then one day Vicki and Fred was doing Karaoke at this little hole in the wall and I got to see his smiling face again. Then the last time I got to see my sweet dear friend was when we done the benefit at R&R after that I lost touch again. I loved the times we spent together my dear friend you most certainly was a jolly O Soul. And I loved you dearly may you rest in peace I'll miss you and all the good times we've had. I love you Vicki and I'm so sorry for your loss .
