“ Gary was a dear friend to my fiancée and me. He had a gentle way about him. You knew if you visited Gary or talked to him on the phone, you was going to end up laughing :) I've never known Gary not to be there when a helping hand was needed, and he never expected anything in return. He truly was a good man with a giving heart. You couldn't know him and not love Gary. Wayne and I miss him, he will forever live in our hearts. I don't think that Gary knew how many lives and hearts he touched.
