“ Kim, I'm so sorry to hear of George passing. I enjoyed our visits and hearing stories of our parents. He was special to my mom and later years became special to me. A truly great man the heavens gained.

George was a very special person. I loved him and all of the Pickets. George was one of my mother's first students (as were all of his sisters) and her one room schoolhouse at Fomby. I loved his father and mother and all of his family. What great moments we shared in that little school. We stayed connected for years through Facebook, and he was always so affirming and so kind. He will be missed by many.
