“ *This makes my heart hurt. Georgia was such a beautiful person. We here at Circle W spent many a Friday night out eating. Her love of books was apparent. She always had a smile, kind words, and pictures of her children that she was so proud to show. Not to mention some of the best dancers I know. She and Eddie just glided across the dance floor. I will miss her and as I do now think of her often and smile. My sincere condolences to the family. We have all lost a piece of our heart.*
