“ *I will always remember the good times we shared, the bad times we went through together, and how you loved to pick on and pester us girls and our friends. It's a wonder that anyone would come over and spend the night with us because you always did something to scare us, or trick us in some way. All I can say is you were always there if I needed you to help me whether it was fixing something broken here at the house, or taking me to a doctor appointment. Even when you were so sick on Christmas day just days before you passed, you came over and visited me and Melayna. You were a fighter, and did not back down. I loved that about you and also your tender side as well. I will see you again Bub. I know you are in heaven with Mother, Daddy, memaw, Aunt Shirley, Billy Mac, John and our other family and friends that have gone before you. Miss you always. Forever in my heart, with love, Shirley Beth aka "Green"*

“ My husband Gary Beck has told me so many stories about his and Bub's adventures while they were growing up in Foreman. Gary is heartbroken at the loss of his best childhood friend, and I am heartbroken for Gary. The Anderson family is in our prayers at this difficult time. Bud will be fondly remembered for years to come.

“ I would love to go back about 30 years ago and spend one more weekend with Bub and all the gang, it would be on DeQueen Lake. We would have all the boats, tents, campers and spirit waters. I would love to see Bub on that ski just before dark gliding on that water like it was glass. He was good at it and he knew it, yes he was a show out and we all loved him for that as well. We would all be camped at Pine Ridge and Mama and Daddy over at Oak Grove. We all would check on them and they would keep an eye on all of us. Bub, I have a lifetime of memories with you not all were good but for the most part they were fun. I'm sad today my friend, I am really sad. R.I.P Bub
