“ My best friend and brother Glen , thank you for all the memories and wonderful times. You were truly my brother and our bond will still last forever. My heart is shaken and I'm mourning. I've known you over half my life and you took me under your wings and I'm so grateful I love you and you will truly be missed. But I know God loves you more and no more suffering. I know I'll see you again so I'm not saying goodbye but farewell. Love you my brother. ❤️🙏
