*He will surely be missed by all who knew him. He was always kind to me and happy to see me. He was a good friend. He and Mrs. Pearl were good friends to my parents for many years. I can just imagine him and my daddy cutting up in Heaven together... and that is why we do not grieve as those with no Hope, bc we will see them again! God bless Mrs. Pearl and the whole family. My thoughts and prayers are with you. ❤️Erin*

“ I lived Nextdoor to Herman my entire growing up years. Such a kind and generous man who carpooled with my daddy to work at Sears in downtown Dallas for over thirty years. Herman used to help me with my algebra homework when I got stumped. He could build anything. He helped my dad build me a playhouse in our back yard when I was a preschooler. It was as big as a bedroom in our house, complete with electricity for lights and a window unit air conditioner! When we moved from Dallas to DeSoto, my daddy and Herman figured out how to load that playhouse that was built on a pier and beam foundation onto a trailer and move it to our new backyard! We vacationed with Pearl and Herman and Pam, and my parents played canasta with Herman and Pearl countless Friday and Saturday nights. We celebrated holidays together, and Pearl to Pam and I to school every day. The Browns were just part of our family. I KNOW that my parents and Pam are soooo glad to have him in heaven with them now!
