“ He was a wonderful example of a man! He was my high school principle, a very soft spoken man who knew how to make his point in a special way. He was a community leader, educator and most importantly a Godly man! I give thanks to you for a lot of patients as a student and some really sound advise along the way! Now relish in God's word that you have seen come to fruition, "May the God of hope fill you with all joy and peace as you trust in him so that you may overflow with hope by the power of the Holy Spirit"
