“ *My Uncle Howard was my favorite uncle I guess because he was close to my age he was 8 years old when I was born but the memories that I have of him was that he reminded me a lot like my grandpa his dad always talked to everyone always so sweet and loving to everyone I'm going to miss his quotes that he always put on Facebook every morning for everyone to like or comment on just to tell him that I love him just for him being him and for him telling you the same thing back, I'm not going to be able to make it today to pay my condolence or respects have doctors appointments today so I want to remember him as he was, My heart aches and hurts for my Aunt Carol and his family 😞 Because he's going to be truly missed by many, He gained his wings and gone on to be with the good Lord and all of our family that has gain theirs. No more pain Uncle Howard, Love you always my favorite uncle 💕💕 God Bless All 🙏🙏 Sending my Love & Hugs 💕*

“ I know there aren't enough words to say how much you hurt and miss him. Just like there aren't enough words to describe how much you love him.

“ Carol
My memories of our youthful friendship, I hold dear to my heart.
What a blessing you and your family have been to me.
I cherish the Howard and Carol love story of two young kids falling in love and spending their whole life together.
May your memories of Howard remain forever in your heart. Take as much time as you need to grieve and know that I'm here for you throughout the process.
God Bless

“ Howard, a wonderful man and a great family! I have had the privilege of knowing, working and interacting with most of this family. We should all take life lessons of the work ethic, importance of family and selflessness for your fellow brothers & sisters, that's what Howard and his beautiful wife Carol instilled in their children! My heart breaks for each of you but you can comfort yourselves in knowing Howard made his mark in this life and what great examples he left behind and now he stands humble & proud with his father in heaven!
