“ Uncle Jack, I will miss you, but cherish the great memories I have of the days gone by...I remember in 1954, when you, Aunt Barbara, Rob and Sue came to Texas City and Daddy painted your old two tone car, and what fun we had then. I remember when we lived near each other in 1961 on College Hill and would get together with great burgers or barbecue you and Daddy would cook. Now, I know you are very happy with your sweetheart of over 40 years, "Barbie." Your recent days were lonely and difficult without her and Sue. It will always be my cherished memories of coming to the farm as a small child, romping with the dogs, swinging on tire swings, enjoying the holidays, etc. You will always live on in my heart and mind. I find comfort today in having prayed with you and know your spirit lives on in Heaven. Love, your niece, Kay, and your great nephews, Matthew & Marc
